July Special Offering

During July we are taking a special offering for students in need at Kennedy High School and Pierce Elementary. The monetary donations will go toward school supplies for these students. The primary supplies include: backpacks, notebooks, binders, folders, pens, pencils, pencil cases/boxes, erasers, markers, highlighters, crayons, colored pencils, glue, and scissors. The goal is for all students to have necessary supplies at the beginning of the school year and throughout the school year. The school supplies will be distributed to the students by counselors and teachers. Your support makes a difference to every student who receives these supplies (it's one less thing they have to worry about!). *Thank you in advance for the difference that you make in the lives of these young people!*
